

**Custom Power** has been providing device manufacturers with innovative, high quality, custom battery solutions since 1965. Our team of design engineers can help you select the proper battery solution from every chemistry technology to fit your specific application.

We are an authorized assembler/integrator for all the leading cell manufacturers. Our goal is simple: to put advanced battery technology to work for our customers, to be responsive to their needs and to offer quality solutions that enhance their product performance.

Custom Power - Design, Development, and Integration.  
 A woman owned business.

**Power Sonic** offers a wide range of innovative battery products including sealed lead acid & lithium technologies. This ensures we have the right battery to meet the unique demands of your application.

**Tadiran** batteries go where others don't dare. Pound for pound, Tadiran bobbin-type lithium thionyl chloride (LiSOCl<sub>2</sub>) cells are the most energetic and reliable batteries in the world: delivering unrivaled energy density, high capacity, and high pulse capability to power increasingly sophisticated technologies.
