PEMCO PRODUCTS OFFERED BY WESCO:

<p><b>altechcorp.com</b></p>	<p>Altech Corporation is a supplier of terminal blocks, fuses, circuit breakers, disconnect switches, inductive proximity sensors, industrial enclosures, DIN enclosures, interface modules, foot switches, liquid tight strain reliefs, safety relays, European fuses, PIN &amp; sleeve devices, power supplies and wire ducts. USA</p>	<p><b>amphenol-sensors.com</b></p>	<p>Amphenol Advanced Sensors is a leading innovator in advanced sensing technologies and innovative embedded measurement solutions customized for regulatory and industry driven applications, creating value by providing critical information for real-time decisions. USA</p>
<p><b>backerna.com</b></p>	<p>Backer is a technical industrial partner to the most important companies in several industry sectors. We deliver competitive solutions in the fields of measurement, heating, and control for leading companies in the Automotive, Energy, Railway, Medtech, HVAC and Process industries. Our customers require innovative and custom technical solutions for their specific applications.</p>	<p><b>boydcorp.com</b></p>	<p>Boyd Corporation assists its clients in the areas of environmental seals and gaskets, extruded rubber, and plastic, stamped and fabricated metal, acoustic and thermal insulation, etc. Boyd Corporation delivers its services across defense, aerospace, transportation, healthcare, agriculture, and other sectors.</p>
<p><b>belfuse.com/cinch</b></p>	<p>Cinch Connectivity – a Bel Group company, manufacturers and supplies high quality, high performance connectors and custom solutions globally to the Military, Aerospace, Broadcast, Commercial and Harsh Environment industries. USA</p>	<p><b>conec.com</b></p>	<p>Delivering PCB and I/O connectors encompassing d-sub, filtered, sealed, combo and custom inserts, Conec also supplies ATCA and DIN connectors along with a series of fiber optic connectors. USA</p>
<p><b>www.fair-rite.com</b></p>	<p>EMI suppression beads, PC and Chip beads, SM beads (common and differential mode), flexible ferrites, round cable EMI suppression cores and snap fits, flat cable EMI suppression cords and snap fits. USA and Canada</p>	<p><b>thegundcompany.com</b></p>	<p>The Gund Company manufactures custom insulating components from thermostet composite materials. These materials are mostly used for electrical insulation in power systems equipment. USA/CAN</p>
<p><b>koe.j-display.com</b></p>	<p>1.8" to 15" TFT Displays, wide an ultra-wide, HD formats, IPS technology, memory in-pixel technologies, touch screens available both resistive &amp; P-CAP. KOE is the largest LCD manufacturer in the world for product in their size range. USA/CAN</p>	<p><b>mechatronics.com</b></p>	<p>Mechatronics' product lines include AC axial &amp; centrifugal fans, AC cross-flow blowers, DC axial fans and DC blowers. USA/CAN</p>
<p><b>mildex.com.tw</b></p>	<p>Mildex are creators of leading edge design and build of PCAP, Multi Touch and Resistive touch windows. 4, 5, and 8 wire resistive touch screens and the controllers. Broad market coverage for military notebooks, tablets, GPS, Industrial, Medical, IPS, Kiosk, MC and POS. USA/CAN</p>	<p><b>ohmite.com</b></p>	<p>Ohmite Manufacturing Company has been the leading provider of resistive products for high current, high voltage, and high energy applications for over 90 years. The company's full complement of resistor construction includes wire wound, wire element, thick film, and ceramic composition. USA/CAN</p>
<p><b>schaffnerusa.com</b></p>	<p>The Schaffner Group is the international leader in the development and production of solutions which ensure the efficient and reliable operation of electronic systems. The Group's broad range of products and services includes EMC/EMI components, harmonic filters and magnetic components. USA/CAN</p>	<p><b>stormpowercomponents.com</b></p>	<p>Storm Power Components is a world-leading manufacturer of electroplated and insulated bus bars. Founded in 1990 to service electrical equipment manufacturers, Storm has become one of the premiere bus bar suppliers in the US.</p>
<p><b>eseal.com</b></p>	<p>Quell EESeal® FilterSeal EMI Filter Inserts install in YOUR connector by hand in seconds, no soldering. Get a FREE sample, designed &amp; built to your needs, in about 24 hours! USA</p>	<p><b>tadiran.com</b></p>	<p>Pound for pound, Tadiran bobbin-type lithium thionyl chloride (LiSOC12) cells are the most energetic and reliable batteries in the world: delivering unrivaled energy density, high capacity, and high pulse capability to power increasingly sophisticated technologies. USA/CAN</p>
<p><b>zettler-group.com</b></p>	<p>Building on a foundation of more than a century of expertise in German precision engineering, ZETTLER Group is a world-class enterprise, engaged in the design, manufacturing, sales and distribution of electronic components. Our industry leadership is based on a unique combination of engineering competence and global scale. USA/Can</p>
