PEMCO PRODUCTS OFFERED BY WESCO:

 altechcorp.com Altech Corporation is a supplier of terminal blocks, fuses, circuit breakers, disconnect switches, inductive proximity sensors, industrial enclosures, DIN enclosures, interface modules, foot switches, liquid tight strain reliefs, safety relays, European fuses, PIN & sleeve devices, power supplies and wire ducts. USA	 conec.com Delivering PCB and I/O connectors encompassing d-sub, filtered, sealed, combo and custom inserts, Conec also supplies ATCA and DIN connectors along with a series of fiber optic connectors. USA
 gmnameplate.com GM Nameplate manufactures various molding processes for decorative plastics and elastomers, along with custom labels, keypads, membrane switches, overlays, die cut components and printed circuit board assemblies. USA/CAN	 bergquistcompany.com Henkel provides SiI-Pad thermally conductive interface materials, Gap Pad electrically insulating and non-insulating gap fillers, Hi-Flow phase change grease replacement materials, Bond-Ply thermally conductive adhesive tapes, and Thermal Clad insulated metal substrates. USA/CAN
 custompower.com Custom Power has more than 50 years of experience designing and assembling custom batteries for its customers. The company provides battery pack assemblies in all chemistries and for all electronic applications, each custom built to meet the client's specific requirements.	 koe-j-display.com 1.8" to 15" TFT Displays, wide an ultra-wide, HD formats, IPS technology, memory in-pixel technologies, touch screens available both resistive & P-CAP. KOE is the largest LCD manufacturer in the world for product in their size range. USA/CAN
 mechatronics.com Mechatronics' product lines include AC axial & centrifugal fans, AC cross-flow blowers, DC axial fans and DC blowers. USA/CAN	 mildex.com.tw Mildex are creators of leading edge design and build of PCAP, Multi Touch and Resistive touch windows. 4, 5, and 8 wire resistive touch screens and the controllers. Broad market coverage for military notebooks, tablets, GPS, Industrial, Medical, IPS, Kiosk, MC and POS. USA/CAN
 ohmite.com Ohmite Manufacturing Company has been the leading provider of resistive products for high current, high voltage, and high energy applications for over 90 years. The company's full complement of resistor construction includes wire wound, wire element, thick film, and ceramic composition. USA/CAN	 schaffnerusa.com The Schaffner Group is the international leader in the development and production of solutions which ensure the efficient and reliable operation of electronic systems. The Group's broad range of products and services includes EMC/EMI components, harmonic filters and magnetic components. USA/CAN
 eeseal.com Quell EESeal® FilterSeal EMI Filter Inserts install in YOUR connector by hand in seconds, no soldering. Get a FREE sample, designed & built to your needs, in about 24 hours! USA	 belfuse.com/cinch Cinch Connectivity – a Bel Group company, manufacturers and supplies high quality, high performance connectors and custom solutions globally to the Military, Aerospace, Broadcast, Commercial and Harsh Environment industries. USA
 tadiran.com Pound for pound, Tadiran bobbin-type lithium thionyl chloride (LiSOCl ₂) cells are the most energetic and reliable batteries in the world: delivering unrivaled energy density, high capacity, and high pulse capability to power increasingly sophisticated technologies. USA/CAN	 xgrtec.com XGR Technologies was founded in 2018 when the SnapShot® co-inventor and former Gore engineer partnered with a group of technology investors to continue the availability of SnapShot EMI shielding products.
 thegundcompany.com The Gund Company manufactures custom insulating components from thermoset composite materials. These materials are mostly used for electrical insulation in power systems equipment. USA/CAN	 zettler-group.com Building on a foundation of more than a century of expertise in German precision engineering, ZETTLER Group is a world-class enterprise, engaged in the design, manufacturing, sales and distribution of electronic components. Our industry leadership is based on a unique combination of engineering competence and global scale. USA/Can
